#### IV. STATEMENT OF CLAIM

- A. State as briefly as possible the facts of your case. Describe how each named defendant is involved. Include the names of other persons involved, dates, and places. Describe specifically the injuries incurred. Do not give legal arguments or cite cases or statutes. You may do that in Item "B" below. If you allege related claims, number and set forth each claim in a separate paragraph. Use as much space as you need to state the facts. Attach extra sheets, if necessary. Unrelated separate claims should be raised in a separate civil action.

In June 2013, on Hwy 51 in Marathon County, I  
rolled my Van several times. I was detained  
After the accident Do to the Crash and a Probation  
Warrant in Lincoln County. Before I was put into the  
Transport Car, I told them I was having Pains in my  
Back, and shoulder. Asked to be cuffed in the front was  
denied. On route to the Jail I was pleading with  
the Cops to Move my cuffs and Bring me to the hospital.  
They clearly seen I was in enough Pain to Move the

In June 2013 I rolled my Van several times after hitting a guardrail - 70mph. It was 830 AM and I fell asleep at the wheel. I was so dazed the accident I fled into the woods. "Probation warrant and No licence" after my crash. - Some point I passed out. When I came to I was in so much pain, I tried to make it back to a Ambulance. found a side road was walking down the enter of it. "Don't remember most of this, going off police reports and what I can remember" Police car rolled up and cuffed me from behind and threw me in the cop car, for what it like hours before another cop pulled up to transport me to Jail. All I was doing was trying to go to the hospital. After asking several times for the cops to move my cuffs to the front. Which they did so roughly that I think is why my injuries are still so severe to this day. After repeatedly asking to go to the hospital and them knowing was in a Major Car accident. My Civil rights were extremely violated. I was told they would take care of it at the Jail.

When I got to Marathon County Jail. I told them at the booking desk about the accident I was in. "Plus could hear it all over the cops scanner and my Mug shot you can see the dirt stain on the side of my head from my head hitting the ground during my rollover." I was told they will get to me and I was thrown in the bullpen, where they housed me for 24 hours. I was being <sup>brought</sup> ~~brout~~ to general population. "N-Block" I told those cops I think my back is Broken that I was in a accident and needed to go to the hospital. I was told "I was on the list to see the Nurse" For 5 days I asked every "Correctional Officer" I seen filed request form and Complaint forms all just to ignored. Until I was transported to Lincoln County Jail.

While being booked into Lincoln County Jail. I once again tried to explain my situation, with alot more "ok's and well get to you". So was put in General population. Again asking any Co. that I thought would listen. And filing Medical request forms, request forms, and Complaint forms. was ignored or denied. Two of my worst responses were. "Just deal with it and grow up" and "If you don't stop filing grievances were gonna charge you with criminal Damage to property" for fooling with this lack of bars on the edges of our cells. So threats on top of being denied. So After days in LCTJ. before I was allowed to see a Nurse "Ashley" who then asked me what the medics at the scene said. Then I told her she was the 1st person I saw with any medical training since the crash. she froze up and was scared to have any thing to do with it. But the Doctor still denied me to go to the hospital. for ~~x-rays~~ x-rays or Cat-scan. or anything for that matter was told I'm gonna have to deal with it. So for 4 months I sat in severe Pain before sitting another 90 days in MSDF in Milwaukee.

**STATEMENT OF CLAIM continued**

cuts to the front. But told me if I was really hurt we'll deal with it at the Jail. When I got to the Jail I told staff I was in an accident AND need to go to the Hospital. I was told they'll get to me. They left me in a holding cell for 24hr. Then put me in GP for 5 days I put a nurse request in and told every Co about my situation all being ignored.

After 5 days of being ignored they brought me to Lincoln county where my warrants were. I explained to them about my accident and the pains in my back and shoulder. They told me if it was serious enough they would deal with it at the scene. I told them I've been begging to see a doctor since the point of my crash. And I was never even checked by any doctor or paramedic, brought straight to Jail.

B. State briefly your legal theory or cite appropriate authority.

I don't know much about statutes relating to this case. I do strongly believe my Civil Rights were violated. After I was in a major car accident I was arrested with out been able to seek medical help. And at the very least I wasn't even able to be checked and cleared by paramedics at the scene or at the County Jail.

V. RELIEF YOU REQUEST

State briefly and exactly what you want the court to do for you. Make no legal arguments. Do not use this space to state the facts of your claim. Use it only to request remedies for the injuries you complain about.

I would like the Defendants to pay for my future  
Hospital Bills to be able to be evaluated By a  
Competent Doctor, AND would also like them to pay for any  
Physical ~~and~~ therapy I may need or any other Prescriptions  
or Any needs related to the accident. And would also  
like Compensation for Personal Damage, lost wages future/Post  
~~Pain and Suffering.~~

I declare under penalty of perjury that the foregoing is true and correct.
